### Invitation for Bids WWK-IFB V2-05/2025

**Issued Date:** 20<sup>th</sup> June 2025  
**Loan No. & Title:** 4276 / 4277 – Civil Aviation Development Investment Project II  
**Contract No. and Title:** CADIP II-20-2A1 - CW5  
Runway Extension, Asphalt Surfacing, New Terminal Building & Associated Works at Wewak Airport, East Sepik Province, Papua New Guinea.

#### Deadline for Submission of Bids: 01st August 2025 @ 1:00 pm

1. The Independent State of Papua New Guinea has received financing from the Asian Development Bank (ADB) towards the cost of Civil Aviation Development Investment Project II. Part of this financing will be used for payments under the Contract named above. Bidding is open to Bidders from eligible source countries of ADB.
2. The National Airports Corporation (“the Employer”) invites sealed bids from eligible bidders for the construction and completion of Runway Extension, Asphalt Surfacing, New Terminal Building & Associated Works at Wewak Airport, East Sepik Province, Papua New Guinea (“the Works”).

The Works comprises of the following:

- a. Repairs on Existing Pavement;
  - b. Asphalt Surfacing;
  - c. Runway Extension;
  - d. Construction of New Terminal Building, Carparking & Associated Facilities;
  - e. Supply & Installation of Airfield Ground Lighting (AGL);
  - f. Other Associated Works.
3. Open Competitive Bidding international advertisement will be conducted in accordance with ADB’s Single - Stage: One - Envelope Bidding without Prequalification procedure and is open to all Bidders from eligible countries as described in the Bidding Document.
  4. Only eligible Bidders with the following key qualifications defined in the Bidding Document may participate in this bidding:
    - Soundness of financial position over the last three (3) years and its prospective long-term profitability;
    - The Bidder must demonstrate that its financial resources, less its financial obligations for its current contract commitments, meet or exceed the total requirement for the Subject Contract of USD\$ 2.44 million.;
    - Average Annual Construction Turnover (minimum) of US\$ 19.49 Million per year, within the last three (3) years;
    - Construction experience and participation in at least one (1) contract within the last five (5) years with a value of at least USD\$ 15.59 million that have been successfully or are substantially completed by the Bidder and that are similar in physical size, nature of works, complexity, methods, and technology;
    - For the above or other contracts executed during the last five (5) years, a minimum construction experience in the following key activities:
      - i. Production and Construction of Subbase and Basecourse Pavement intended for Aircraft use;
      - ii. Production and Application of Bituminous Chip Sealing intended for Aircraft use;
      - iii. Production and Application of Bituminous Asphalt Pavement intended for Aircraft use;
      - iv. Design and or Installation of Airfield Ground Lighting Systems;
      - v. Construction of Airport Terminal Building including design and installation of all associated Services for the Terminal Building (min. 2, 225 sq.m) and Facilities, Associated Facilities and Systems;
    - The qualification criteria are more completely described in the Bidding Document.
  5. To obtain further information and inspect the bidding documents, bidders should contact:
