

INVITATION FOR TENDER

TOKUA AIRPORT ASPHALT OVERLAY WORKS (PHASE 2)

1. The National Airports Corporation (NAC) Ltd invites sealed bids from eligible contractors to submit tenders for the execution and completion of Asphalt Overlay Works at Tokua Airport, East New Britain Province.

The scope of work involves milling of existing aged asphalt surface and construction of 14mm dense graded asphalt concrete, 75mm thick overlay on the runway, taxiway and apron pavement to accommodate the Boeing 737-800W series and Airbus A220 aircraft operations.

This project is necessary to ensure the airport infrastructure is prepared to receive the new Boeing 737 and Airbus A220 aircraft that will phase out the F100 aircraft under Air Niugini's aircraft re-fleeting program.

2. The Tender submission must include evidence of financial capacity, experience and details of proposed equipment for the works. The procurement of this works is subjected to competitive tendering and will be awarded to the contractor who is able to demonstrate financial capacity and successful performance and prior experience in executing similar size and nature of works in Papua New Guinea.

3. Tender documents are available at the Engineering Services Division located at the Green House, Building No. 153, 7 Mile, Jackson Parade at Jacksons International Airport, Port Moresby.
